Visitors Welcome!

On behalf of the Colonial Beach Chamber of Commerce, we welcome you to our family friendly waterfront town that's been laid back since way back. Come enjoy everything that Colonial Beach has to offer. Relax on the second largest beach in Virginia, or plan day trips to nearby historical sites, wineries, and state parks. If a day in town is your choice, park your car and rent a golf cart. Visit our many retail shops, art galleries and antique stores. Take a break and enjoy something to eat at sandwich shops, delis, gourmet markets, and restaurants. Spend the day fishing, crabbing, boating, and kayaking. Planning to spend more time here at the beach? Accommodations include bed and breakfasts, campgrounds, cottages, motels, and marinas. Even as summer passes, we continue events well into the fall and winter. We are not only a summer destination, but an excellent choice for a fall and winter getaway! Visit us once and you will return time and time again.

The Colonial Beach Chamber of Commerce has been an active and tireless advocate for the businesses and community of Colonial Beach for over 75 years.

Welcome to Colonial Beach

Welcome from Mayor Robin Schick

Colonial Beach is uniquely nestled at the midpoint on the Potomac River between Washington D.C. and the Chesapeake Bay. As the second largest public beach in the state of Virginia, it is a place to get outside, actively explore the history of Westmoreland, and taste the Northern Neck by way of wine and oyster. This small town is one of those special places, a hidden gem, with a single stop light, town school, and friendly waves from each passerby. We have a strong volunteer culture that organizes year-round philanthropic events for visitors and locals alike, and we also like to have fun.

As you peruse this guidebook know that with every store you shop at, restaurant you eat at and place you stay means you take part in supporting our town. It is all of us that make Colonial Beach the safe, family friendly, and joyful community that we love. As Mayor, I encourage you to make new memories in 2026 with your friends and family, ride a golf cart, shop art and antiques, and be sure to catch our infamous sunrises over the Potomac River and sunsets over Monroe Bay by boat or shoreline. This may be your first time or your 50th, you will find Colonial Beach is just one of those places that keep calling you back.

Enjoy!

Check out our monthly fishing reports on the Chamber of Commerce website and FaceBook page

Fishing around Colonial Beach has been picking up!

Catfish are biting pretty well off the Town Pier and out in the river. Some nice White Perch are also showing up in good numbers, and we expect even more as the water continues to warm.

🦀 Crabbing season has officially started, and some local crabs are already being caught. It should only get better from here as the water warms up.

Last year we saw a great rebound with Spot, and we're expecting a similar year again. We're just hoping the big croaker follow suit and show up like the spot did.

There have also been some big rockfish caught at the mouth and in the creeks. Anglers are having success casting swimbaits, rattle traps, and Z-Man baits. Rockfish are currently catch and release, with the season running until May 16th in the Potomac River.

Come on down to Colonial Beach and enjoy a fun day of fishing!

Stop by Kimmie Ann Bait and Tackle, located at 18480 Ridge Road Colonial Beach VA, 22443 on the right just before you get into town, for all your tackle needs. We carry a large variety of live and frozen bait, along with crabbing supplies to get you set up for a great day on the water.

🍀 Good luck and catch 'em up!
