Visitors Welcome!

On behalf of the Colonial Beach Chamber of Commerce, we welcome you to our unique and relaxing waterfront town. This Visitors Guide has been created with you in mind and we hope it makes your stay with us a wonderful experience. We offer you many choices. Simply spend the day relaxing and playing on the second longest beach in Virginia or plan day trips to nearby historical sites, wineries, and state parks. If a day in town is your choice, park your car and rent a golf cart. Visit our many retail shops, art galleries and antique stores. Take a break and enjoy something to eat at sandwich shops, delis, gourmet markets, and restaurants. Spend the day fishing, crabbing, boating, and kayaking. Planning to spend more time here at the beach? Accommodations include bed and breakfasts, campgrounds, cottages, motels, and marinas. Even as summer passes, we continue events well into the fall and winter. We are not only a summer destination, but an excellent choice for a fall and winter getaway! Visit us once and you will return time and time again.

The Colonial Beach Chamber of Commerce has been an active and tireless advocate for the businesses and community of Colonial Beach for over 70 years.

Welcome from Mayor Robin Schick

Colonial Beach is uniquely nestled at the midpoint on the Potomac River between Washington D.C. and the Chesapeake Bay. As the second largest public beach in the state of Virginia, it is a place to get outside, actively explore the history of Westmoreland, and taste the Northern Neck by way of wine and oyster. This small town is one of those special places, a hidden gem, with a single stop light, town school, and friendly waves from each passerby. We have a strong volunteer culture that organizes year-round philanthropic events for visitors and locals alike, and we also like to have fun.

As you peruse this guidebook know that with every store you shop at, restaurant you eat at and place you stay means you take part in supporting our town. It is all of us that make Colonial Beach the safe, family friendly, and joyful community that we love. As Mayor, I encourage you to make new memories in 2023 with your friends and family, ride a golf cart, shop art and antiques, and be sure to catch our infamous sunrises over the Potomac River and sunsets over Monroe Bay by boat or shoreline. This may be your first time or your 50th, you will find Colonial Beach is just one of those places that keep calling you back.

Enjoy!

Robin Mae Schick
